

## PSJC 2022 MLK Activities

Stop by PSJC to pick up materials for at-home soup kits and letter writing

### TAKE HOME SOUP KITS

Sunday, January 16 | 10-11:30 AM

Remember the (barely) controlled mayhem in our basement with the lentils and dried carrots and Osem flying into Ziploc bags? Well, you can reproduce that wonderful feeling, or at least the resulting soup kits, in your own home. We will be handing out the fixings to make up 20-25 soup kits from your home - just follow these easy directions (and the instructions in the handouts):

Pick up the materials in the PSJC Yard on Sunday, January 16 | 10:00-11:30 AM.

Drop off the finished bags in the PSJC yard on Tuesday or Wednesday, January 18-19 | 3:00-6:00 PM. or Sunday, January 23 | 10:00-11:30AM.

Make a difference for people in Brooklyn dealing with food insecurity.

Our goal is to make at least 1000 soup kits this year! Take advantage of this easy way to be part of the solution.

### LETTERS TO HIAS

Encourage your Representatives and Senators to support refugees with letters from HIAS. Information and templates will be emailed out, and you can either drop off your letters at PSJC by Sunday, January 23 (noon) to be sent out in the PSJC batch, or you can send your letters in yourself; names and addresses of elected officials will be available.

### OTHER DO-AT-HOME PROJECTS

Check out our [Hebrew School Webpage](#) for more great opportunities to participate in MLK Weekend of Service (Note the in-person projects with Repair the World include opportunities for all ages)

Sign up for in-person volunteer activities with [Repair the World](#) on Sunday and Monday. Let us know if you participate in these in-person activities. We'd love to know.
